Subject Index — Volume 18, 1970

ABSTRACTS. Titles and selected abstracts of recent publications by the staff of Henry Ford Hospital and the Edsel B. Ford Institute for Medical Research 75, 219, 287

ACTINOMYCIN D. The hypocalcemic effects of actinomycin D and mithramycin. E. L. Reyes and R. W. Talley 115

ADHESIONS. The prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation. T. A. Cromwell and J. L. Ponka 233

ADRENAL SUPPRESSION. Percutaneous absorption of betamethasone-17-benzoate. G. R. Mikhail 179

AMINO ACIDS. X-ray diffraction data for amino acid derivatives. J. Parsons et al 283

AMPICILLIN. Cephalexin: In vitro and in vivo studies. F. Cox, Jr. et al 91

ANASARCA. Intestinal lymphangiectasia with normal immunological function. A case report. T. Madhavan and C. E. Rupe 65

ANGIOCARDIOGRAPHY. Complications of pulmonary angiography. D. T. Anbe and E. H. Drake 49

Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

ANTICOAGULANTS. Surreptitious ingestion of oral anticoagulants. T. H. Greidanus et al 99

AORTIC VALVULAR INSUFFICIENCY. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

ARTERIOGRAPHY, SELECTIVE VISCERAL. Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report. S. J. Kingma and H. M. Allen 245

ARTHROGRAPHY. Double contrast arthrography of the knee. P. C. LaRowe et al 107

BETAMETHASONE-17-BENZOATE—BEBEN.® Percutaneous absorption of betamethasone-17-benzoate. G. R. Mikhail 179

BILIRUBIN. The effect of phenobarbital on serum bilirubin of full term infants. M. J. Kokosky et al 275

BLOOD. A new biological stain for peripheral blood and bone marrow smears. A. R. Villanueva 11

BLOOD TRANSFUSION. Serum hepatitis at Henry Ford Hospital, 1958-1967. K. S. Murthy and B. M. Schuman 57

BONE MARROW ASPIRATIONS. A new biological stain for peripheral blood and bone marrow smears. A. R. Villanueva 11

BURSA. Double contrast arthrography of the knee. P. C. LaRowe et al 107

CARCINOMA, STOMACH. Total gastrectomy for carcinoma of the stomach. T. A. Fox 21

CARDIAC CATHERIZATION. Complications of pulmonary angiography. D. T. Anbe and E. H. Drake. 49

CARDIAC SURGERY. A decade of heart surgery and a look into the future. C. R. Lam 215

CATECHOLAMINES. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

CEPHALEXIN. Cephalexin: In vitro and in vivo studies. F. Cox, Jr. et al 91

CEPHALORIDINE. Cephalexin: In vitro and in vivo studies. F. Cox, Jr. et al 91

CEPHALOSPORINS. Cephalexin: In vitra and in vivo studies. F. Cox, Jr., et al 91

CHOLECYSTOKININ. Dose-response relationship of bile flow to cholecystokinin stimulation as measured by duodenal drainage. R. J. Priest et al 257

CHROMOSOMES. A new biological stain for peripheral blood and bone marrow smears. A. R. Villanueva 11

CLINICIAN. Health nurse clinician—An extended role for the professional nurse. C. E. Rupe et al 187

COLITIS, ULCERATIVE. Immunologic competence in idiopathic ulcerative colitis: Humoral aspects of immunity. G. A. LoGrippo et al 249

COLLATERAL. Double contrast arthrography of the knee. P. C. LaRowe et al 107

COMMUNICATION. Assessing attempted suicide. W. J. Cassidy 205

Subject Index

CORTICOSTEROIDS. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

Percutaneous absorption of betamethasone-17-benzoate. G. R. Mikhail 179

CORTICOTROPHIN. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

COUMADIN TOXICITY. Surreptitious ingestion of oral anticoagulants. T. H. Greidanus et al 99

C-REACTIVE PROTEIN. Quantitative determination of C-reactive protein (CRP) by micro-double diffusion technic. H. Hayashi et al 155

CRUCIATE. Double contrast arthrography of the knee. P. C. LaRowe et al 107

DELIVERY OF HEALTH CARE. Health nurse clinician—An extended role for the professional nurse. C. E. Rupe et al 187

DEXAMETHASONE-PROMETHAZINE. The prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation. T. A. Cromwell and J. L. Ponka 233

DEXTRAN. The prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation. T. A. Cromwell and J. L. Ponka 233

DIFFRACTION DATA. X-ray diffraction data for amino acid derivatives. J. Parsons et al 283

DOUBLE CONTRAST. Double contrast arthrography of the knee. P. C. LaRowe et al 107

DUODENAL DRAINAGE. Dose-response relationship of bile flow to cholecystokinin stimulation as measured by duodenal drainage. R. J. Priest et al 257

ECHINOCOCCOSIS. Echinococcosis of the liver. Report of a case. R. Benedetti and J. L. Ponka 39

EDEMA. Intestinal lymphangiectasia with normal immunological function. A case report. T. Madhavan and C. E. Rupe 65

ENCEPHALOPATHY, POSTOPERATIVE. Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience. J. P. Elliott, Jr., et al 121

END-DIASTOLIC VOLUME. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

END-SYSTOLIC VOLUME. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

ENTEROPATHY, PROTEIN-LOSING. Intestinal lymphangiectasia with normal immunological function. A case report. T. Madhavan and C. E. Rupe 65

ESOPHAGEAL VARICES. Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience. J. P. Elliott, Jr., et al 121

FISTULA, BILIARY. Echinococcosis of the liver. Report of a case. R. Benedetti and J. L. Ponka 39

GASTRECTOMY, TOTAL. Total gastrectomy for carcinoma of the stomach. T. A. Fox 21

GERMAN MEASLES. Rubella. Current status of immunization. E. L. Quinn et al 73

GONADAL. Mixed gonadal stroma cell tumor of the testicle. G. B. Farrow and A. J. Johnson 201

GONADAL STEROIDS. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

GRAVE'S DISEASE. Post-therapeutic thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter. J. J. Prendergast and J. M. Miller 3

GROWTH HORMONE. Hypophyseal growth hormone. I. Control of secretion. M. S. Zafar et al 143

Hyprophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

HEALTH. Health nurse clinician—An extended role for the professional nurse. C. E. Rupe et al 187

HEART SURGERY. A decade of heart surgery and a look into the future. C. R. Lam 215

HEPATITIS. Serum hepatitis at Henry Ford Hospital, 1958-1967. K. S. Murthy and B. M. Schuman 57

HYDATID CYSTS. Echinococcosis of the liver. Report of a case. R. Benedetti and J. L. Ponka 39

HYPERNEPHROMA. Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report. S. J. Kingma and H. M. Allen 245

Subject Index

HYPERTHYROIDISM. Post-therapeutic thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter. J. J. Prendergast and J. M. Miller. 3

HYPOCALCEMIA. The hypocalcemic effects of actinomycin D and mithramycin. E. L. Reyes and R. W. Talley 115

HYPOPHYSEAL GROWTH HORMONE. Hypophyseal growth hormone. I. Control of secretion. M. S. Zafar et al 143

Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

HYPOPROTEINEMIA. Intestinal lymphangiectasia with normal immunological function. A case report. T. Madhavan and C. E. Rupe 65

HYPOPROTHOMBINEMIA. Surreptitious ingestion of oral anticoagulants. T. H. Greidanus et al 99

HYPOTHALAMUS. Hypophyseal growth hormone. I. Control of secretion. M. S. Zafar et al 143

HYPOTHYROIDISM. Post-therapeutic thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter. J. J. Prendergast and J. M. Miller 3

IMMUNITY, UREMIA. Immunologic status of uremic patients. G. A. LoGrippo et al 83

IMMUNIZATION. Rubella. Current status of immunization. E. L. Quinn et al 73

IMMUNOGLOBULINS. Immunoglobulin levels in spinal fluid and saliva by direct immunochemical assay and microscopic measurements. H. Hayashi et al 263

IMPULSIVENESS. Assessing attempted suicide. W. J. Cassidy 205

INDICATOR-DILUTION. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

ISLET CELL HORMONES. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

ISOTOPE CARDIAC OUTPUT. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

KIDNEY PRESERVATION. In vitro kidney preservation techniques. S. G. Dienst 149

KLINEFELTER'S SYNDROME. Co-existent Klinefelter's syndrome, acquired cutaneous hepatic porphyria and systemic lupus erythematosus. M. S. Zafar et al 227

KNEE. Double contrast arthrography of the knee P. C. LaRowe et al 107

LIGAMENT. Double contrast arthrography of the knee. P. C. LaRowe et al 107

LUPUS, SYSTEMIC. Co-existent Klinefelter's syndrome, acquired cutaneous hepatic porphyria and systemic lupus erythematosus. M. S. Zafar et al 227

LYMPHANGIECTASIA. Intestinal lymphangiectasia with normal immunological function. A case report. T. Madhavan and C. E. Rupe 65

LYMPHOMA. Mycosis fungoides with thrombotic microangiopathy and major nervous system manifestations. T. A. Chapel et al 237

MALINGERING. Surreptitious ingestion of oral anticoagulants. T. H. Greidanus et al 99

MANIPULATIVENESS. Assessing attempted suicide. W. J. Cassidy 205

MENISCUS. Double contrast arthrography of the knee. P. C. LaRowe et al 107

MENSTRUAL CYCLE. Effect of the normal menstrual cycle on platelet adhesiveness. J. M. Yeung 193

MITHRAMYCIN. The hypocalcemic effects of actinomycin D and mithramycin. E. L. Reyes and R. W. Talley 115

MIXED GONADAL CELL TUMOR. Mixed gonadal stroma cell tumor of the testicle. G. B. Farrow and A. J. Johnson 201

MYCOSIS FUNGOIDES. Mycosis fungoides with thrombotic microangiopathy and major central nervous system manifestations. T. A. Chapel et al 237

NEWBORN. The effect of phenobarbital on serum bilirubin of full term infants. M. J. Kokosky et al 275

NURSING. Health nurse clinician—An extended role for the professional nurse. C. E. Rupe et al 187

PARASITIC INFESTATION. Echinococcosis of the liver. Report of a case. R. Benedetti and J. L. Ponka 39

PERCUTANEOUS ABSORPTION. Percutaneous absorption of betamethasone-17-benzoate. G. R. Mikhail 179

PERFUSION, KIDNEY. In vitro kidney preservation techniques. S. G. Dienst 149

PERITONEAL ADHESIONS. The prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation. T. A. Cromwell and J. L. Ponka 233

Subject Index

PHENOBARBITAL. The effect of phenobarbital on serum bilirubin of full term infants. M. J. Kokosky et al 275

PHOSPHATASE. Spectacular elevations of serum alkaline phosphatase: Clinical and pathological correlation. R. B. Patton 211

PITUITARY GLAND. Hypophyseal growth hormone. I. Control of secretion. M. S. Zafar et al 143

PLATELETS. Effect of the normal menstrual cycle on platelet adhesiveness. J. M. Yeung 193

PORPHYRIA. Co-existent Klinefelter's syndrome, acquired cutaneous hepatic porphyria and systemic lupus erythematosus. M. S. Zafar et al 227

PORTAL HYPERTENSION. Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience. J. P. Elliott, Jr., et al 121

PORTASYSTEMIC SHUNTS. Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience. J. P. Elliott, Jr., et al 121

PRESERVATION, ORGAN. In vitro kidney preservation techniques. S. G. Dienst 149

PROMETHAZINE-DEXAMETHASONE. The prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation. T. A. Cromwell and J. L. Ponka 233

PROTEIN-LOSING ENTEROPATHY. Intestinal lymphangiectasia with normal immunological function. A case report. T. Madhavan and C. E. Rupe 65

PSEUDOCYST, PANCREATIC. Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report. S. J. Kingma and H. M. Allen 245

PULMONARY EMBOLISM. Complications of pulmonary angiography. D. T. Anbe and E. H. Drake 49

QUANTITATION. Quantitative determination of C-reactive protein (CRP) by micro-double diffusion technic. H. Hayashi et al 155

RADIOACTIVE TRACERS. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

RENAL CELL CARCINOMA. Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report. S. J. Kingma and H. M. Allen 245

RENOGRAFIN 60. Double contrast arthrography of the knee. P. C. LaRowe et al 107

RUBELLA. Rubella: Current status of immunization. E. L. Quinn et al 73

SALIVA. Immunoglobulin levels in spinal fluid and saliva by direct immunochemical assay and microscopic measurements. H. Hayashi et al 263

SERUM BILIRUBIN. The effect of phenobarbital on serum bilirubin of full term infants. M. J. Kokosky et al 275

SERUM HEPATITIS. Serum hepatitis at Henry Ford Hospital, 1958-1967. K. S. Murthy and B. M. Schuman 57

SODIUM^{24}. Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro. F. J. Hildner et al 27

SPINAL FLUID. Immunoglobulin levels in spinal fluid and saliva by direct immunochemical assay and microscopic measurements. H. Hayashi et al 263

STAIN. A new biological stain for peripheral blood and bone marrow smears. A. R. Villanueva 11

SUICIDE, ATTEMPTED. Assessing attempted suicide. W. J. Cassidy 205

TESTICLE. Mixed gonadal stroma cell tumor of the testicle. G. B. Farrow and A. J. Johnson 201

THROMBOTIC MICROANGIOPATHY. Mycosis fungoides with thrombotic microangiopathy and major nervous system manifestations. T. A. Chapel et al 237

T.T.P. (thrombotic thrombocytopenic purpura). Mycosis fungoides with thrombotic microangiopathy and major nervous system manifestations. T. A. Chapel et al 237

THYROID HORMONES. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

THYROID RESERVE. Post-therapeutic thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter. J. J. Prendergast and J. M. Miller 3

TITLES. Titles and selected abstracts of recent publications by the staff of Henry Ford Hospital and the Edsel B. Ford Institute for Medical Research 75, 219, 287

TOXIC GOITER. Post-therapeutic thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter. J. J. Prendergast and J. M. Miller 3

TRANSFUSION. Serum hepatitis at Henry Ford Hospital, 1958-1967. K. S. Murthy and B. M. Schuman 57

TRANSPLANTATION, ORGAN. In vitro kidney preservation techniques. S. G. Dienst 149

TUMOR, TESTICAL. Mixed gonadal stroma cell tumor of the testicle. G. B. Farrow and A. J. Johnson 201

ULCERATIVE COLITIS. Immunologic competence in idiopathic ulcerative colitis: Humoral aspects of immunity. G. A. LoGrippo et al 249

UREMIA. Immunologic status of uremic patients. G. A. LoGrippo et al 83

VACCINE. Rubella. Current status of immunization. E. L. Quinn et al 73

VARICEAL BLEEDING. Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience. J. P. Elliott, Jr., et al 121

VASOPRESSIN. Hypophyseal growth hormone. II. Interaction with other hormones. M. S. Zafar et al 165

VERTICAL BEAM. Double contrast arthrography of the knee. P. C. LaRowe et al 107

VIRAL HEPATITIS. Serum hepatitis at Henry Ford Hospital, 1958-1967. K. S. Murthy and B. M. Schuman 57

VON HIPPEL-LINDAU DISEASE. Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report. S. J. Kingma and H. M. Allen 245

X-RAY DATA. X-ray diffraction data for amino acid derivatives. J. Parsons et al 283

Author Index — Volume 18, 1970

ALLEN, H. M.
Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report 245

ANBE, D. T.
Complications of pulmonary angiography 49

ANSELM, K.
Immunologic competence in idiopathic ulcerative colitis: Humoral aspects of immunity 249

BEHER, W. T.
X-ray diffraction data for amino acid derivatives 283

BENEDETTI, R.
Echinococcosis of the liver. Report of a case 39

BERK, J. E.
Dose-response relationship of bile flow to cholecystokinin stimulation as measured by duodenal drainage 257

BLUHM, G. B.
Co-existent Klinefelter's syndrome, acquired cutaneous hepatic porphyria and systemic lupus erythematosus 227

CASSIDY, W. J.
Assessing attempted suicide 205

CHAPEL, T. A.
Mycosis fungoides with thrombotic microangiopathy and major central nervous system manifestations 237

COX, F., Jr.
Cephalexin: In vitro and in vivo studies 91
Rubella. Current status of immunization 73

CROMWELL, T. A.
The prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation 233

DIENST, S. G.
In vitro kidney preservation techniques 149

DOWNS, D.
Health nurse clinician—An extended role for the professional nurse 187

DRAKE, E. H.
Complications of pulmonary angiography 49
Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro 27

ELLIOTT, J. P., Jr.
Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience 121

FALCONER, H. A.
The effect of phenobarbital on serum bilirubin of full term infants. A controlled study 275

FARROW, G. B.
Mixed gonadal stroma cell tumor of the testicles: A case report 291

FOX, T. A.
Total gastrectomy for carcinoma of the stomach 21

GATMAITAN, B. G.
Cephalexin: In vitro and in vivo studies 91

GLUCKMANN, R. F.
Dose-response relationship of bile flow to cholecystokinin stimulation as measured by duodenal drainage 257

GREIDANUS, T. H.
Surreptitious ingestion of oral anticoagulants 99

GRONEWALD, W. R.
Co-existent Klinefelter's syndrome, acquired cutaneous hepatic porphyria and systemic lupus erythematosus 227

GUISE, E.
Double contrast arthrography of the knee 107

HARDY, W. W.
Health nurse clinician—An extended role for the professional nurse 187

HAYASHI, H.
Immunoglobulin levels in spinal fluid and saliva by direct immunochemical assay and microscopic measurements 249
Immunologic status of uremic patients 83
Quantitative determination of C-reactive protein (CRP) by micro-double diffusion technic 155

HILDNER, F. J.
Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro 27

JOHNSON, A. J.
Mixed gonadal stroma cell tumor of the testicles: A case report 201

KERR, D. L.
Health nurse clinician—An extended role for the professional nurse 187

KINGMA, S. J.
Renal cell carcinoma masquerading as a pancreatic pseudocyst: A case report 245

Author Index

KOKOSKY, M. J.
The effect of phenobarbital on serum bilirubin of full term infants. A controlled study 275

LAM, C. R.
A decade of heart surgery and a look into the future 219

LA ROWE, P. C.
Double contrast arthrography of the knee 107

LE SHER, D.
Immunologic status of uremic patients 83

LO GRIPPO, G. A.
Immunoglobulin levels in spinal fluid and saliva by direct immunochemical assay and microscopic measurements 263

Immunologic competence in idiopathic ulcerative colitis: Humoral aspects of immunity 249

Immunologic status of uremic patients 83

Quantitative determination of C-reactive protein (CRP) by micro-double diffusion technic 155

MADHAVAN, T.
Intestinal lymphangiectasia with normal immunological function. A case report 65

MELLINGER, R. C.
Hypophyseal growth hormone. I. Control of secretion 143

Hypophyseal growth hormone. II. Interaction with other hormones 165

MIKHAIL, G. R.
Percutaneous absorption of betamethasone-17-benzoate 179

MILLER, J. M.
Post-therapeutic thyroid reserve. Thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter 3

MONTO, R. W.
Surreptitious ingestion of oral anticoagulants 99

MORROW, L. B.
Hypophyseal growth hormone. I. Control of secretion 143

Hypophyseal growth hormone. II. Interaction with other hormones 165

MURTHY, K. S.
Serum hepatitis at Henry Ford Hospital, 1958-1967 57

ORMOND, R. S.
Double contrast arthrography of the knee 107

Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro 27

PARSONS, J.
X-ray diffraction data for amino acid derivatives 283

PATTON, R. B.
Spectacular elevations of serum alkaline phosphatase: Clinical and pathological correlation 211

PERRY, M.
Immunoglobulin levels in spinal fluid and saliva by direct immunochemical assay and microscopic measurements 263

Quantitative determination of C-reactive protein (CRP) by micro-double diffusion technic 155

PETERSON, N.
Cephalexin: In vitro and in vivo studies 91

PIERSON, W. R.
Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro 27

PONKA, J. L.
Echinococcosis of the liver. Report of a case 39

Prevention of recurrent peritoneal adhesions. A clinical and laboratory investigation 233

PRENDERGAST, J. J.
Post-therapeutic thyroid reserve. Thyroid reserve in euthyroid patients after ablative therapy for diffuse toxic goiter 3

PRIEST, R. J.
Dose-response relationship of bile flow to cholecystokinin stimulation as measured by duodenal drainage 257

Immunologic competence in idiopathic ulcerative colitis: Humoral aspects of immunity 249

QUINN, E. L.
Cephalexin: In vitro and in vivo studies 91

Rubella. Current status of immunization 73

REYES, E. L.
The hypocalcemic effects of actinomycin D and mithramycin 115

RINALDO, J. A.
Dose-response relationship of bile flow to cholecystokinin stimulation as measured by duodenal drainage 257

ROMIG, D.
Rubella. Current status of immunization 73

RUPE, C. E.
Health nurse clinician—An extended role for the professional nurse 187

Immunologic status of uremic patients 83

Author Index

Intestinal lymphangiectasia with normal immunological function. A case report 65

SAEED, S. M.
Mycosis fungoides with thrombotic microangiopathy and major central nervous system manifestations 237

SCHUMAN, B. M.
Serum hepatitis at Henry Ford Hospital, 1958-1967 57

SCILLA, J. A.
X-ray diffraction data for amino acid derivatives 283

SMITH, R. F.
Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience 121

STEINHAUER, B. W.
Mycosis fungoides with thrombotic microangiopathy and major central nervous system manifestations 237

TALLEY, R. W.
The hypocalcemic effects of actinomycin D and mithramycin 115

VAN SLYCK, E. J.
Surreptitious ingestion of oral anticoagulants 99

VILLANUEVA, A. R.
A new biological stain for peripheral blood and bone marrow smears 11

WEINSTOCK, B.
Quantitation of aortic valvular insufficiency using radioactive tracers. An experimental study in vitro 27

WEISS, L.
The effect of phenobarbital on serum bilirubin of full term infants. A controlled study 275

WONG, K. H.
Surgical treatment of portal hypertension: Review of Henry Ford Hospital experience 121

YEUNG, J. M.
Effect of normal menstrual cycle on platelet adhesiveness 193

ZAFAR, M. S.
Co-existent Klinefelter's syndrome, acquired cutaneous hepatic poryphyria and systemic lupus erythematosus 227

Hypophyseal growth hormone. I. Control of secretion 143

Hypophyseal growth hormone. II. Interaction with other hormones 165
